

THE BOOK OF JOHN

Over the next 29 days, we'll read through the Book of John. Going through this book is an invitation for us to know Jesus deeply, not just as a historical figure, but as God himself, in the flesh. Through a narration of his life, miracles, and teachings, we can see the heart of Jesus and the love God has for us. As we study this gospel, we are encouraged to truly know God by growing our understanding of who Jesus is and following his example, allowing him to guide our lives and shape us to be more like him.

Questions to reflect on:

- How is Jesus' heart being revealed in this chapter?
- How are you being challenged to be more Christ-like through today's reading?
